AMERICAN READING FORUM SCHOLARSHIP FUND

The ARF Scholarship Fund is used to support graduate students whose proposals have been selected for presentations at the American Reading Forum Conference. Contributions are added to the general scholarship fund. The amount collected each year determines how many students can be given support toward their travel and/or lodging for the conference.

If you would like to contribute to the scholarship fund, please check the appropriate section on this form and include your check with your conference registration. Your generosity is appreciated and may be a federal tax deduction. Consult your tax preparer.
